### A Day At School

by Lam Ho Yin Kelvin 5A

I am a school prefect this year. Today, I was on duty. When I was walking around the classrooms, I discovered that Lily was inside the classroom. There was no one else in the classroom. She tried to steal a book and a watch. The watch was in the classmate's drawer.

I saw her stealing the watch. I stopped her immediately. Then I took her to see the teacher. Lily said to the teacher, "I'm sorry for doing that. I won't do it again."

Now she is a good girl. She has learnt that she should not steal others' things. I feel happy because I have done the right thing.

Today, my net friend came to Hong Kong to visit me. We went to a restaurant to have dinner. We ate steak, seafood and vegetables. My friend and I like seafood most because it is tasty. My net friend felt happy and excited. Then we went shopping in Lok Fu Centre. I bought some souvenirs for my friend. She felt happy.

We went to Ocean Park in the afternoon. We saw some pandas. They were very cute. We also watched a dolphin show. We played some games and rode on the cable car. We did not ride on the roller-coaster because I was scared.

Finally, we went home at six o'clock. We had a great time there.

**My Favourite Activity**

by Hung Tsz Lok Issac 5B

I have played football for five years. It is an exciting game. I play football with my friends every week. I like to play football with my friends because it makes me feel happy. It can make me strong and healthy, too. I don't like to play games alone.

I will join the football course in summer holiday. It is because I want to learn more skills to win in the football match.

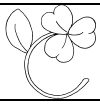

**Things I do after examination**

by Chow Lok Ching Ida 5B

After examination, I will have a lot of things to do. I will go to Helen's home with Wenda. We will play games and have lunch together. Then, I will go shopping with my mother. We will buy some beautiful clothes.

I will have the violin courses with Kelly. I will also learn the piano every Wednesday. I think I will feel great after examination. Although I will have a long summer holiday, I need to study hard for my future.

**Fire!****by Wu Wai Hin Anthony 5C**

Yesterday, I went to Wu Wai Hin Restaurant to have breakfast with my grandpa and grandma in the morning. We ate barbecue pork buns and drank tea together. Suddenly, there was some smoke coming out from the kitchen. All customers were scared. Soon, a waiter ran out of the kitchen and shouted, 'Run away! Run away! The kitchen is on fire.' Some firemen went to the restaurant after five minutes. They put out the fire in an hour. But four cooks died and five people got hurt.

**Reach my grandpa****by Ko Yeung Tsit Nancy 5C**

When I look up in the sky,  
I wish I could  
Reach my grandpa,  
Say goodnight to him.

Among many stars,  
One is my grandpa.  
I wish I could  
Say hello to him.

When I look up in the sky,  
I wish I could  
Reach my grandpa,  
Give him some yummy sweets.

When I look up in the sky,  
I wish I could  
Reach my grandpa,  
Tell him all my secrets and worries.

My nice grandpa,  
I wish I could  
Be where you are!

**My dream****by Cheung Hoi Lok Holly 5C**

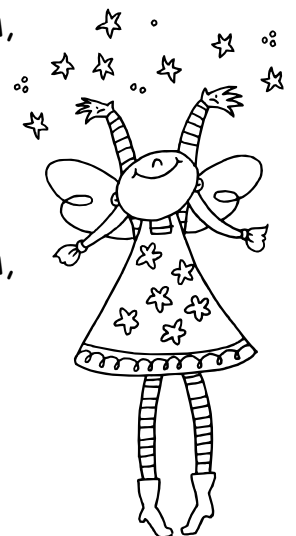

When I have my dream,  
I wish I could  
Go to the space,  
Watch the stars.

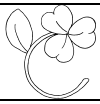

When I have my dream,  
I wish I could  
Go to the space,  
Make more friends.

When I have my dream,  
I wish I could  
Go to the space,  
Touch the planets.

When I have my dream,  
I wish I could  
Go to the space,  
Sit in the satellite.

The beautiful dream,  
I wish I could  
Live there forever!

Today is Chung Yeung Festival. I went hiking with my family. It was hot. We walked slowly. We felt tired after walking for an hour. We had a picnic on the hill. It was fun.

At six o'clock, we went to the supermarket to buy food for our dinner. At half past seven, we went home. The food was yummy. I had fish, chicken, duck, vegetables, mushrooms and fruit. Then I had a bath. It was relaxing. Finally, I went to bed.

## My Puppy

by Wong Ka Yee

My parents gave me a lovely puppy last Christmas. The puppy has a black nose, brown hair, small ears and a small brown tail. I enjoyed playing with my puppy. But good time didn't last long.

One day, my puppy didn't eat anything. It looked sick. My parents and I were worried. Finally, we took it to the pet hospital and saw the vet. The vet gave us some medicine and asked me to give it to my pet.

One month later, it recovered. We played with it happily again.

sunny

and hot

Last Saturday, I went to Lok Fu Library to borrow some comic books. The books were interesting. After reading the books, I went to Lok Fu Plaza. In the plaza, there were many shops. I felt happy.

On Sunday, I didn't go to any places because I did my homework at home the whole day. I was bored.

Today, I played badminton with my brother in the morning. We felt excited. Suddenly, he fell down. We felt disappointed because we could not play badminton anymore.
